A Word From the Board:

~ Get Out The Vote

RECENT ACTIONS & ACCOMPLISHMENTS

FADC - Volunteer Action Updates

Postcards

Last month we were at a sizeable 5,000 postcards written. With our incredible group of volunteers, we more than doubled that number to **11,500** postcards (plus additional help with door hangers). **WOW!!!!**
Join us this Friday to celebrate your accomplishment!

Canvassing

Last month we were up to 1,000 doors knocked by our canvassers and super canvassers. And, that wasn't counting the last weekend where SEIU, CAPS-UAW, UAW, and the Labor Council joined the cause. We're now up to over 2,000.

With ballots mailed and only three weeks left until Election Day, we are switching to Get Out the Vote mode, and we want to reach all those Dems who haven't voted. Let's keep it up and knock on doors together.

FADC - More Updates on Volunteer Efforts

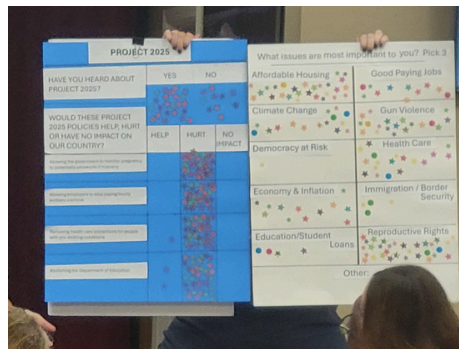

Voter Registration

MOMS DEMAND ACTION
FOR GUN SENSE IN AMERICA

FADC volunteers continued their efforts educating students about what's at stake this election cycle and registering new voters. This month Moms Demand Action assisted with student outreach.

There were fewer students to register this month - but that's a good thing. It means there are more students already registered! It also provided volunteers the opportunity to help students confirm their registration and obtain ballot information.

FADC Fall Fundraiser

Thanks to Dolly S., volunteers, and to all of you who turned out to make our fall fundraiser a HUGE success. Every seat was filled, and then some. We were able to raise over \$2,000 which we then distributed amongst our endorsed candidates: Jessica Morse, Porsche Middleton, and Hla Elkhatib.

MESSAGES & LETTERS

A word from our President & other notes

President's Message

NOW is the word of the day.

"What is important is seldom urgent and what is urgent is seldom important."
Turns out that is sound advice but between today and 8:00 p.m. on Tuesday,
November 5, it is sooooooooooooooooooooo wrong.

These are days and even hours that will make the difference between women living or dying, between humans respected or shipped out as chattel, between continuing the greatest success of democracy or slipping into the darkness of tyranny. The awesome power of the Presidency and the collaborative power of Congress and our state and local officeholders will be decided by your actions NOW.

We have been given a gift - the opportunity to work through our club with our friends and neighbors. When we gather to act - writing postcards, waving signs, knocking on doors - you name it - we see our personal joy and fulfillment come together to make friends and make a difference.

Don't waver - press forward to the future we and ours deserve,

THE MORE YOU KNOW

Project 2025

Creating a Horror Show (and how to Survive) Part IV

The gruesomeness continues

Previously on Project 2025: Also known as the 2025 Presidential Transition Project, this plan intends to give unprecedented power to the president, dismantle many government agencies, and strip many of our rights.

Project 2025 aims to place the entire executive branch under the president's exclusive control and reclassify federal civil service workers as "political appointees" hired (and fired) at the whim of the president.

In **Seasons 1 & 2**, Project 2025 attempted to reverse all progress made on Climate Change AND threatened to strip away rights from and protections for LGBTQ+ families and single parents.

In **Seasons 3 & 4**, Project 2025 aimed to replace the current Department of Education with the old model and push back advancements made in our Military establishment to programs based in discrimination and indoctrination.

Season 5 and . . .

Project 2025 designs to do the following:

Season 5 - Justice

- No longer task FBI agents with monitoring social media to flag content they deemed to be "misinformation" or "disinformation" for platforms to remove
- Prevent the FBI from engaging, in general, in activities related to Americans creating or spreading misinformation or disinformation
- Stop the FBI from devoting "unprecedented resources to prosecuting American citizens for misdemeanor trespassing offenses or violations of the FACE (Freedom of Access to Clinic Entrances) Act" while dismissing prosecutions against radical agents of the Left like Antifa" (page 546)
- Use the prospect of protracted litigation and federal sanctions to chill disfavored behavior such as abortion or genital mutilation of children.
- Enforce the death penalty

Season 6 - The Final Frontier

- **VOTE VOTE VOTE!**
- The best chance to win this is to **vote**, help get others to **vote**, and **educate** those who haven't figured it out yet.

There is still work to be done and fun to be had!

FADC Holiday Party

We've all been busy this season working to protect Democracy. In working together towards this common goal, we've formed friendships. What better way to strengthen those friendships than to gather for a winter party, celebrate our accomplishments, and discuss our goals for next year.

Please mark your calendars for the FADC Holiday Party!

Sunday, December 8 4:30-7:30 pm
Location will be provided when you sign up.

Let's Keep Going!

October is our last membership meeting of the year, but it doesn't mean our activities and get-togethers need to come to an end. Join us at the meeting to see what we have planned for the rest of the year; and, keep checking the website, Instagram, and Facebook for updates. Stick with us through the winter while we gear up for new projects and gatherings to come in the new year.

Don't forget, if you have a new prospective member or you need to renew your membership, please use our [ActBlue link](#)
