MESSAGES & LETTERS

A word from our President & other notes

President's Message

In the words of Roy Scheider, we're going to need a bigger boat.

One Hundred and Four. That is our paid membership count as of June 20, the largest our club has ever been.

We should all express our deep appreciation for Bill Purcell's leadership as our Membership Chair. Bill brings grace and deep commitment to every thing he does - qualities that invites others to join us and to emulate those values as members. Bill will be stepping aside in this role and we are excited to announce that the terrific Tammy Shaw will assume his role on July 1.

We also appreciate every member equally for encouraging their friends and colleagues to join us. It turns out it does take a village and, in this case, we are now a village with an increasingly stronger voice and ability to make a difference.

So, what's next? Let's keep the momentum of growth - Tammy and the club's leadership is working to target likely new members but we need each of you to reach out to your friends to keep this momentum going.

And, as importantly, we are working to engage more members in all of our opportunities to support our Democratic values and make good change happen. We will add to our membership roster an "engagement roster" - those members who have responded to our calls for action to help the Folsom Area Democratic Club make a difference. Like our membership roster, that roster is already strong and will be growing.

And the first volunteer we need is someone who will lead the search for a bigger monthly meeting room. Please contact me at davidbsanders@comcast.net.

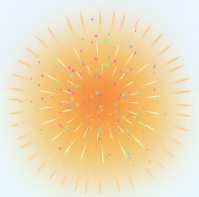

THANK YOU BILL

Thanks to our outgoing Membership Chair, Bill P. Though he's only been in this position since October, he has been instrumental in growing our Club to where it is now. His Club Brochures along with his efforts in the "Great Walkabout" to distribute them were key in getting us to where we are.

HIGHLIGHTING TAMMY SHAW

A devoted member since 2019, Tammy has graciously offered to take over as our Membership Chair. While being new to the Board, Tammy is not new to activism. As a member of FADC she has joined our rallies, volunteered to assist in actions supporting our candidates, and worked to get out the vote. Tammy has also been a long-time member of Moms (and Friends) on the Left and Moms Demand Action, where she helps to support our vulnerable communities. She also helps raise awareness about issues impacting our Democracy, connects people to activities, and organizes volunteers. One of her favorite volunteer activities is facilitating postcard writing campaigns. Please say "hi" when you see at a meeting or event. Welcome to the Board, Tammy!

MEMBERSHIP CORNER

Here We Grow Again!

Our list of active, paid members has now reached over 100, making us one of the largest and most active Democratic clubs in the area!

Do you have a friend that is also tired of all the MAGA nonsense and interested in doing something about it? Tell them to join us so we can become an even bigger force for Democracy!

Walkabout Update - Get Involved!

Our "Tour de Folsom" membership recruitment drive, whereby we leave our FADC membership invitation "door hanger" flier on the door at the homes of registered Democrats, is now winding down in District 3 and about to begin in District 5. Our goal is to announce our presence to Folsom Area Democrats and let them know how they can join our ranks.
